<b>ABBA Foundation</b>	Interest Free Loan/fundraiser – Faith Based	Must be Complete	ABBA Fund helps provide adoption assistance for Christian families. <b>Abba Foundation Sonscope Adoption Fund</b>	Grant/Interest Free Loan – Faith Based	Purpose is to help provide funds to families specifically for home study	The Sonscope Adoption Fund is administered through the ABBA Fund. Regardless of whether Sonscope is able to provide a “catalyst” grant to get your adoption moving with home study support, using the Sonscope application (no need to fill out anything else) you can also request consideration to participate in ABBA Fund’s <a href="#">Christian Family Adoption Grant Fund</a> to receive charitable contributions to help reduce the financial burden of adoption — and as the day approaches to bring your child home, if there is still a financial gap to complete your adoption, you can request that your Sonscope application be considered for an <a href="#">interest-free covenant loan</a> from ABBA Fund’s primary program by just providing a brief update to your original application.	<a href="http://www.abbafund.org/blog/sonscopeadoptionfund/legacy-child/">http://www.abbafund.org/blog/sonscopeadoptionfund/legacy-child/</a>
